

In addition to the panel members below, Touch Briefings would like to thank

Steve Hargarten, MD, MPH, President, Association of Academic Chairs of Emergency Medicine (AACEM)

A Antoine Kazzi, MD, FAAEM, President, American Academy of Emergency Medicine (AAEM)

Robert O'Connor, MD, MPH, President-elect, National Association of EMS Physicians (NAEMSP)

Anne Hoffmann

Founding Chairperson, Emergency Medicine Association of Residency Coordinators (EMARC)

Anne Hoffmann is Founding Chairperson and member of the Emergency Medicine Association of Residency Coordinators (EMARC). She is also New York Presbyterian Emergency Medicine Residency Program Manager. Prior to this, Ms Hoffmann was the Residency Coordinator/Program Manager at New York University/Bellevue Hospital for 13 years. Here, she has assisted the development of two successful emergency medicine residency programs and helped to develop a national association for residency coordinators. ■

Patricia Kunz Howard, RN, PhD, CEN

President, Emergency Nurses Association (ENA)

Patricia Kunz Howard, RN, PhD, CEN, is the 34th President of the Emergency Nurses Association (ENA). She is the emergency department staff development specialist at the University of Kentucky Hospital, and emergency medical services (EMS) training coordinator for Lexington Fire and Emergency Medical Services. She is a contributing author to the *Journal of Emergency Nursing* and *Sheehy's Emergency Nursing Principles and Practices*. She is a member of American Nurses Association (ANA) and American Association of Critical Care Nurses (AACN), among others. ■

John B McCabe, MD

President, American Board of Emergency Medicine (ABEM)

John B McCabe, MD, is President of the American Board of Emergency Medicine (ABEM). He is also Professor and Chair in the Department of Emergency Medicine, State University of New York Upstate Medical University. Following completion of residency training in emergency medicine at the Wright State University School of Medicine in Dayton, Ohio, he joined the staff as Assistant and then Associate Professor of Emergency Medicine at the Wright State University School of Medicine. Dr McCabe developed a research program and research laboratory for emergency medicine research at Wright State University. ■

Comilla Sasson, MD

President, Emergency Medicine Residents Association (EMRA)

Comilla Sasson, MD, is President of the Emergency Medicine Residents Association (EMRA). She is a second-year emergency medicine resident at Emory University, and is a member of the American College of Emergency Physicians (ACEP), EMRA, American Medical Association (AMA), and the Society for Academic Emergency Medicine (SAEM). She is a graduate of the University of Illinois, Chicago medical school. EMRA represents over 6,000 medical students and residents (approximately 85% of the total eligible residents in the world). ■

David Stern, MD

Communications Director, Urgent Care Association of America (UCAOA)

David Stern, MD, is Communications Director for the Urgent Care Association of America (UCAOA). He is a partner in Physicians Immediate Care, operating six urgent care centers in Northern Illinois. He is board-certified in internal medicine, has practiced urgent care medicine for over 15 years, and was chosen through surveys of thousands of physician colleagues to be listed in Castle-Connolly's *America's Top Physicians*. He is CEO of Practice Velocity, a leader in providing charting, coding, and practice management solutions for urgent care centers. ■

Robert E Suter, DO, MHA, FACEP
